OLD ENGLAND.

By ARGUS CENTOCULI, *Inſpector-General of* Great-Britain.

SATURDAY, SEPTEMBER 16, 1749. [No. 281.]

Nullius addictus jurare in Verba Magiſtri. HOR.

CONSCIOUS of the indelible Diſgrace which a late audacious Inſult, from one of the *pyratical States* on the Coaſt of *Barbary*, has reflected on the *Britiſh* Name, ſome healing Hand about the Confines of *Whitehall*, jealous of the Honor of our Superiors, has endeavoured to avert the Imputation, or rather divert it, by inſerting a few occaſional Paragraphs in our News-Papers, of ſome Preparations that are ſaid to be making at *Gibraltar*, to avenge the Audacity of the *Corſair* that preſumed to attack and take away one of his Majeſty's Paquet-Boats, ever ſacred by the Law of Nations except in open War, with a large Quantity of the public Money aboard.

This notorious Act of Depredation againſt the Faith of Treaties, is not to be imputed to the Temerity of one particular *Corſair* only, but to the whole peſtiferous Den of *Freebooters* in general, whereof he is only a ſingle Member; ſince, by approving the hardy Action in their public Capacity, they made it a public Concern: For tho' they have graciouſly vouchſafed to gratify our *Conſul* in Part of his Application, by ſetting the Veſſel and the Crew at Liberty; yet they have not thought fit to withdraw their pilfering Hands from the vaſt Treaſure it had on board, to the Value of about 100,000 *l.* confiſcated to their public Uſe.

This Mockery of reſtoring the empty Veſſel, after ranſacking and ſtripping her of all her Opulence, was, in ſome Meaſure, analogous with the Lawyer's returning the Shell in the Fable, after he had ſwallowed up the Oyſter; and, as I apprehend, greatly aggravates the Inſult.

Had this been a Ship of Trade belonging to a ſingle Merchant, or to one of our public Companies, the Indignity would not have been ſo great; notwithſtanding the Violation of public Treaties: But to attack the King's immediate Paquet-Boat, which, I apprehend, conſtitutes a Part of the Royal Navy of *Great-Britain*, is ſuch a Preſumption that deſerves the ſevereſt Chaſtiſement; no leſs than the utter Extirpation of the whole Neſt of Hornets, which has ſo long annoyed and ſcandalized the *Chriſtian* Name!—→ But if it be true, that by a public Act of their Government they turn the Tables upon us, and ſo in an Appeal to the World impute the firſt Breach of public Treaties to us, by omitting to ſend them the uſual Compliments of Preſents, which it ſeems were the Conſiderations that induced them to enter into a Treaty with us, to forbear interrupting our Trade and Commerce into the *Levant*; tho' I can't find that any thing of that Kind is expreſsly ſtipulated for them in any of the public Treaties that have ever ſubſiſted between them and us, tho' implied *a la Mode de France* in the Spirit of them: If it be ſo, that we have been guilty of *Omiſſion* towards theſe vagrant People, it is no Wonder they retalliate our Neglect by *Commiſſion*, in order to wake us into Remembrance. In ſuch a Caſe it is to be conſidered, whether a direct Attack upon the Royal Paquet was not more juſtifiable in the Eye of the World, than if theſe *Rovers* had fallen upon a Trader in the Service of our Merchants, to whom they could not well impute any Share in the Affront which they apprehended were put upon them by a contemptuous Neglect from our Government; which therefore, perhaps, they were reſolved to chaſtiſe more immediately, by ſeizing on the public Paquet with the public Treaſure.

That ſome People have been conſcious of this, may be gathered from the *Preſents of Deprecation* which we have been told were ſent to the *illuſtrious Lords* of the *Mediterranean*, ſoon after the Capture of our Paquet; where it ſeems they were kindly received, but, as they arrived too late, could procure no other Satisfaction that we hear of than the Return of the empty *Bottom* and her Mariners, which probably may have rouſed us into Attention and a Senſe of Feeling; elſe why, after having expreſſed our Reſpect in Preſents, ſhould we ſo ſoon prepare to revenge an Action to which we had ſubmitted, if not deprecated for the Occaſion of it by thoſe very Preſents.

Perhaps, from the great Intercourſe of Complaiſance that has been of late carried on between *France* and *Great-Britain*, we may have learned a new Method of declaring War; and that Preſents ought to precede, by way of Defiance upon the Enemy. If this be the Caſe, it muſt be acknowledged, that we have acquitted ourſelves with great Politeneſs towards *the moſt illuſtrious Lords the* BASHA, DEY *and* AGA, *Governors of the famous City and Kingdom of* ALGIERS *in* BARBARY; for ſo I find they are called in our public Treaties with them. In this Manner we may, in ſome Meaſure, account for the ſeeming contradictory Tranſactions of making Preſents and preparing for War; elſe, I ſhould have been weak enough to diſbelieve the Reports which have found their Way into Print, of an Expedition intended from *Gibraltar*, by no leſs than *four* of our Men of War, to chaſtiſe the Inſolence of a formidable pyratical Power in *Africa*; before whoſe Walls no leſs than three different *Armadas* from *Spain* were formerly repulſed and periſhed; tho' no leſs a Chief was at the Head of the laſt, than the great Emperor *Charles* V. in Perſon, ſupported by 20,000 Men in 500 Bottoms, if we reckon all Sorts, among which we may ſuppoſe there were proportionable Numbers of Ships of War.

But what are all theſe Preparations of the *Spaniards*, at a Time when they were renowned thro' the World for their Valor, and in the very Height of their Glory, compared to *four Ships only* prepared by a certain other Nation in it's Wane and Declenſion of Fame and Power; eſpecially, if theſe ſame Ships ſhould be put under the Command of ſome *cautious Favorite*, who ſhould happily build his Fortune upon the Rectitude of a *Court-Martial*, and make a Rebound into a ſuperior Station, in Contempt of his Judges and all the Adherents of Juſtice. This is much better and far more conducive to the Honor of a Nation, than if the *Fraterenli* were to add *two* Ships more to the aforeſaid *four*, and ſo make up an Armament of *ſix Ships* only, under the Command of the boiſterous *Triton*, who, with the like Number of Ships, had the Temerity to attack and take a Fortreſs, againſt which an experienced Captain on the ſame Element declared, in an Aſſembly of national Deputies, it was hardly poſſible for 20 of the beſt Men of War to prevail; more eſpecially, as it is in no wiſe proper to encourage ſuch untractable Spirits, who will make Conquests out of Seaſon, and tell ſuch unfaſhionable Truths as may diſturb a virtuous Adminiſtration, when it is not to be ſuppoſed they could be ignorant of the courtly old Adage, that *the Truth is not be ſpoke at all Times*. Such an Officer muſt undoubtedly be unſufferable; and, inſtead of drawing equally in the Traces of Government, would rather entangle them, by kicking and ſpurning at the Ignorance of his Drivers.

But we are likewiſe inſtructed, from the ſame maſterly Hand I make no Doubt in our public Papers, as if tranſcribed from the *Paris a la main*, that the tremendous Lords of *Algiers*, actuated by a ſudden Fit of virtuous Fear, have lately ſat on the Stool of Repentance, and ſollicited our new Allies the *French*, to avert the Deſtruction that muſt neceſſarily attend them from the aforeſaid *four* terrible Ships at *Gibraltar*, by a timely Interpoſition of their good Offices to pardon their paſt Offence, under a ſolemn Aſſurance of never repeating the like again; tho' ſuch a *Rara-Avis* Prize of 100,000 *l.* Value, ſhould again fall into their Way, provided they are only left to enjoy the Benefit of the laſt.

Theſe humble Supplications of our *illuſtrious Corſairs*, conveyed thro' the Channel of *French* Mediation, can't well fail of meeting with a favourable Reception in theſe Halcyon Days of Complaiſance and Politeneſs; more eſpecially, if they are to be entruſted to the generous Care and Sollicitation of the *peerly Brace*, juſt delivered out of Bondage, and daily expected over to dictate Rules of Faſhion and Ceremony, in all the Luſtre of *France*, among the *Fribbles* of this Nation; as it is not to be ſuppoſed, their *Patrons* can refuſe them any thing, ſince perhaps ſuch another *condeſcending Pair* could not be found between the Iſles of *Orkney* and the *Land's-End*, to deprecate for the baffled *Lion* at the Foot of the imperious *Cock*.

Whatever the Apprehenſions of the honorable *Flag of Piracy* may have been, ſoon after the groſs Affront they put upon the Flag of *Great-Britain*, I don't know; but that they are now ſubſided I make no Doubt, as the Seaſon of the Year have ſtolen upon our Deliberations imperceptibly, and can't fail of raiſing ſuch a Bulwark for their Defence, as may render all the Efforts of the mighty *four* at *Gibraltar* altogether uſeleſs. The Beginning of *October* is always productive of terrible ſtormy Weather on the Coaſt of *Barbary*, which continues ſo very dangerous for all the Winter as to oblige the redoubted Sails of *Algiers* to furl and lie by. They know very well, that thoſe Storms have frequently ſaved them from the Power of *Spain*; and that, tho' they made a reſolute Defence of themſelves againſt *Charles* V. yet it was the Violence of repeated Storms that ruined his vaſt *Armada*, and ſwallowed up about three Parts in four of his 20,000 Men. As therefore they can't be unapprized, that the *Terrors of Gibraltar* muſt alſo *lie by* for ſome Months, they will have no Reaſon to be uneaſy in their Shelter; while Time is working their Redemption, and diſpoſing a good-natured *Power*, remarkable for it's truly *Chriſtian* Patience under Affronts, to relent, to forgive and forget, ſo as to forego the Oyſter which has been already ſwallowed up, and reſt ſatisfied with the *Shell* already returned.

The Wife of Mr. Wheatly, a Maltſter of that Place, being diſordered in her Senſes, ſet Fire to a Cradle, in which her only Child a Girl, about four Months old, lay, and burnt it to Aſhes. The Maid, who was left in Care of her Miſtreſs, was at a Farmer's Houſe in the Neighbourhood, when this melancholy Affair happened.

The Court then thought proper to pronounce the following Sentence, which was, that he ſhould be committed to Newgate for ſix Months; and ſome Day before the Expiration of the ſaid Time, to ſtand in the Pillory between the Hours of Ten and Twelve in the Forenoon, at Poplar, that being the Place where the Crime was committed.

SWEDEN.

ITALY.

Naples, Aug. 15. Our Gallies which have been cruizing for the Barbary Corſairs return'd on Wedneſday laſt; but ſailed again the next Day, upon advice that thoſe Pirates had taken a Genoeſe Tartan, bound to Sicily, in the Sea of Palermo. The Malteſe Gallies have taken a Turkiſh Xebeck, with a Crew of twenty Men who are all made Priſoners.

Malta, Aug. 11. The Govenor of Rhodes (Author of the late execrable Plot, who was a Priſoner here, and releaſed by the means of the French Intereſt, 'till he was confined again on the Diſcovery of the ſaid Plot) having made the moſt preſſing Inſtances the Day before Yeſterday, for the third Time, to have leave to ſpeak with the Baille de Boccage, charg'd with the Affairs of France at this Court, that Miniſter ſtung with Indignation, that the Pacha ſhould aſk for him, gave him to underſtand, that he muſt not expect ever to ſee him, and that after committing ſo horrible a Crime, he had nothing to look for but to ſuffer the Puniſhment he ſo juſtly merits.

We are at preſent fully ſatisfied, that the Porte was entirely ignorant of the late Conſpiracy; and that the Reports ſpread on that Subject were propogated by the Chiefs which have been executed, and by the Pacha of Rhodes himſelf, with a View to increaſe the Number and ſtrengthen the Confidence of the Conſpirators.

SPAIN.

Madrid Aug. 14. The Court having been informed of certain Schemes, for carrying on the contraband Trade on the Carracca Coaſt with greater Felicity, Orders are given for augmenting the Number of Guard Ships on that Coaſt.

ANTI-SIPHYLICON.

THE only ſhort and moſt infallible CURE in the Univerſe for the *Venereal Diſeaſe* from the ſlighteſt Infection to the moſt extreme and deplorable Degree of it, even when the Blood and Juices are thoroughly contaminated with its malignant *Virus*, and the very Bones are affected with it.

Freſh Infections, call'd Claps, with all their attendant Symptoms, tho' ever ſo ſevere, are entirely carried off by it in a few Days, and to as effectually to prevent the Blood and Juices from being tainted with any remaining Relicks, on one Hand, or a ſeminal Gleet, or Weakneſs, to happen on the other.

And the moſt inveterate Degree of the *French Illneſs*, attended with nocturnal Pains, univerſal Breakings-out, and all other the moſt exſeparated Symptoms, are ſoon overcome by it, and effectually and much more ſafely cured than by Salivation, Inunction, or any other Method whatever, and in ſo eaſy and pleaſant a Manner, without impairing Strength, or occaſioning any Inconvenience, as loudly to beſpeak it the only appoſite Remedy, or true *Venereal Antidote* in the World, and this ſome Thouſands have, to their great Joy, experienced.

Thoſe who ſuſpect they have received an Injury may, by only a Doſe or two of it, be perfectly freed from all Apprehenſions; for it ſuffers no lurking Venom to lie hid in the Body, but wholly extirpates it, Root and Branch, in a gentle, eaſy, and effectual Manner.

All ſuch, likewiſe, as doubt they have ſome remaining Relicks of former Injuries, may, by a few Doſes of it, entirely free themſelves from all Suſpicions of that Kind; for it admits of no Foulneſs, Corruption, or Putrefaction whatever, to remain in the Fluids, or to adhere to the Solids; and, on that Account, in all Scorbutick, Scrophulous, and even Leprous Eruptions, or Foulneſſes of the Skin, or glandulous Swellings, and Impurities of the Juices, it does more by one Doſe than any other Medicine, yet known, can by ten.

The Price of this moſt noble *Anti-Siphylicon* is but ſix Shillings a Pot, which, conſidering its extraordinary Efficacy, one Pot only being ſufficient, in moſt Caſes, to accompliſh the Cure, is not a tenth Part of its Value; and is ready ſealed up, with a Book of Inſtructions, by the Peruſal of which all Perſons who were ever affected with any Degree of the *Venereal Diſeaſe* may perfectly underſtand their own Condition, and certainly know when, and when not, the *Venereal Poiſon* is entirely rooted out of their Bodies.

Note, This Grand Anti-Siphylicon is now, by the Author's Appointment, to be had only at Mr. Eglinton's (Mr. Radford being deceaſed) at the Golden Pair of Spectacles againſt the Eaſt-End of the New Church in the Strand, London. *Ask only for a Six Shilling Pot for the Scurvy. No Letters anſwer'd, unleſs Poſt-paid.*

PARALYTICON SEU ANIMA NERVORUM.

A ſupernatural Chymical Eſſence which infallibly cures the PALSY, and all other Nervous Diſeaſes.

THE very firſt Doſe of it (a few Drops only) inſtantly penetrates the inmoſt Receſſes of the minuteſt Nerves, and darting all moſt as quick as Lightning through the whole human Syſtem, diffuſes kindly Warmth and genial Comfort to the weaken'd Limbs, and all Parts of the Body, and affords immediate ſenſible Relief in the moſt obſtinate Palſy, and all Paralytick Affects, Shaking, Trembling, Numbneſs, Deadneſs, and Weakneſs, whether univerſal, or of particular Parts only, or whether lately contracted, or of many Years Continuance.

And as the very firſt Doſe makes an apparent demonſtrable Amendment, ſo the continuing it for a ſhort Time, as ſurely accompliſhes a perfect Cure, not only of the moſt grievous Palſy or Reſolution of the Sinews, but alſo of their Cramp-like Contractions, ſhrinking of the Nerves, and all other nervous Complaints whatever, and than it Perſons of either Sex, or of any Age, and whether occaſioned by preceeding Illneſſes, faſt Living, hard Drinking, long Courſes of Phyſick, great Colds, or exceſſive Fatigues either of Mind or Body.

Words cannot ſufficiently expreſs the uncommon, the unparallel'd Efficacy of this great Medicine, as all who take it, frankly acknowledge; and its vaſtly ſuperior Excellency to all other Remedies, may be more ſecurely rely'd on, for the abſolute Cure of the Palſy, and all Paralytick Affects, and Nervous Indiſpoſitions, than the celebrated Cortex is for Intermittents.

It rectifies all Diſorders of the firſt Paſſages, creates an Appetite procures a good Digeſtion, enriches the Blood, reſtores the natural Vigour and ſteady Uſe of the Limbs, and ſtrengthens the enfeebled Joints, Muſcles, Tendons, Ligaments, and whole Habit to an immenſe Degree. It is alſo very pleaſant to take; is comforting and cordial to the Stomach and Bowels, and for Safety might be given to the youngeſt Infant. It is now to be had only, by the Author's Appointment, at Mr Eglinton's (Mr. Radford being deceaſed) at the Golden Pair of Spectacles againſt the Eaſt End of the New-Church in the Strand London, at 3s and 6d. a Bottle with printed Directions at large.

DR. NELSON, being well known to have made the Cure of Seminal and Genital Imbecilities his chief Study and Practice for above thirty Years, does recommend his moſt Noble Cleanſing and Strengthning ELIXIR, which thouſands of People have experienced, to be the only BALSAMICK HEALING RESTORING Medicine in the World,

For Gleets and Weakneſſes,

THE Bane of Virility in the one Sex, and Deſtroyer of Fertility in the other, whether from ill cur'd Venereal Infections (than which nothing is more common) or from inordinate Coition, or Self-Pollution (that curſed School Wickedneſs, which ſpoils all our Youth, by nipping their Manhood in the Bud) or from involuntary Emiſſions a Nights in the Sleep, or in the Day Time upon Stool or with the Urine, or from Falls, Blows, Strains, Wrenches, or the like, which drain, and dry up, the Seminals, and wither, as it were the Generative Faculties, cauſing Impotency in Men, the Fluor Albus, and Barrenneſs in Women, (or but a weakly, ſickly Offspring if any) and in the long Run (by impoveriſhing the Blood and Spirits) Melancholy, Vapours, Decays of Nature, and Conſumptions.

No Medicine can be more pleaſant to take, nor any Thing upon Earth more effectual for the Purpoſe; for let the Imbecility be ever ſo great, or of ever ſo long ſtanding, and be either in the Parts Spermatick Veſſels, or Back, with Pain, or without, it certainly Cures, by reviving and enriching the Blood and Spirits, comforting, nouriſhing, and repleniſhing the Reins and Seminals, and ſtrengthning, and reſtoring the Genital Parts in both Sexes, how much ſoever weakned, rendred cold, or deadned, and bringing them to their natural Force, Warmth, and Vigour, by thickening and fertilizing the Seed, which before was thin, wateriſh, or yelloviſh, and conſequently inſufficient, either for Procreation or the Act of it.

All Diſorders of the Urine, as Difficulty in the making or retaining it, or its dribling away, hot or ſmarting, or foul, ſlimy, thready, greaſy or ſtinking, whether from Gravel, Stone, Strangury, or a Venereal Cauſe are likewiſe ſpeedily cured by it, and the Water made to be held as ſtrongly, and yet brought away as freely, eaſily, full ſtream'd, and clear as ever.

Price 5s. a Bottle. Prepared by the aboveſaid Author, and ſold only (ſealed up with Directions how to take it) at Mr. Corbett's Bookſeller, at Addiſon's Head, oppoſite St. Dunſtan's Church Fleet-Street, and by Henry Cook, under the Royal-Exchange, aſking only for a 5s. Bottle of Elixir.

The only ſhortand infallible Cure for that reigning Diſeaſe the SCURVY *and all Scorbutick Humours, tho' arrived to the higheſt or moſt inveterate Degree, or of ever ſo many Years ſtanding, and that without any ſenſible Evacuation, or the leaſt Purging, which, by an unaccountable Miſtake, is generally adviſed, altho' always found rather to encreaſe than confirm the Scurvy than cure it.*

By the ſo much fam'd and moſt pleaſant Chymical DROPS.

WHICH, without the leaſt Trouble, Confinement, or any Diſorder whatever, dont once ſtrike at the true Cauſe of the Scurvy, and entirely deſtroy it, and all Scorbutick Humors and Effects, Root and Branch, ſo as never to return again, as many Thouſands of both Sexes have experienced, and as all who take them in Three Days Time are convinced; for they almoſt inſtantly alter the morbid State of the Juices, purify the Blood, ſweeten all the Fluids, cleanſe them from Impurities, and directly clear the whole Habit from all Spots, Blotches, black and blue Marks, Itchings, foul Eruptions or Breakings out, Weakneſs of the Limbs, languid Heavineſs of the whole Body, wandering Pains, Weakneſs of the Back, and all the vaſt Variety of Symptoms by which the Scurvy imitates and often lies conceal'd under the Appearance of the Rheumatiſm, and many other Diſtempers.

And for ſtrengthening the Stomach, immediately creating a good Appetite, cauſing a regular and eaſy Digeſtion of Food, and curing all windy Effects and Diſorders of the firſt Paſſages, (whence proceed Head Achs, Vapours, and other Indiſpoſitions) no Bitters, nor any other Medicine upon Earth can compare with them, inſomuch that reſtores infallibly curing the Scurvy in all its Shapes and Appearances they effectually and directly cure the Green-Sickneſs in Virgins, Worms, of all Kinds, in Young or Old, and almoſt all other Chronick Diſeaſes, which are chiefly occaſioned by Indigeſtion and flatulent Crudities in the Stomach and Bowels) and certainly prevent Fevers, Agues, and other acute Diſeaſes.

They are wonderfully Cordial and Reſtorative, ſtrengthen and enliven the whole Machine, and as ſoon as taken, make the Patient ſenſibly lightſome, brisk and vigorous to Admiration, and are good for all Sorts of Perſons, to preſerve as well as to procure a ſound and healthful State of Body.

But the great Reputation theſe ſo much fam'd and moſt pleaſant Chymical DROPS have ſo univerſally gain'd among Perſons of Eminence, for their ſuddenly and infallibly curing the Scurvy and all Scorbutick Humors, and other Chronick Diſeaſes, in ſuch an eaſy and agreeable Manner, have occaſioned many to imitate them, ſome under the ſame, and others under other Names; be careful therefore not to be deceived, but be ſure to have the Right, which, by the Author's ſpecial Appointment, are to be had, only at the Gentlewoman's at the two blue Poſts in Haydon Yard in the Minories, at 3s. 6d a Bottle, with Directions.

The True Cordial QUINTESSENCE *of* VIPERS, *the moſt Noble and Grand Preparation in the whole* Materia Medica, *for the real, ſubſtantial Cure of* Impotency *in Men, and* Barenneſs *in Women; and is vaſtly preferable to* Viper Wine, *or any other Preparation of* Vipers *whatever, as being replete with the full and whole Virtues of them.*

A Few Drops of it only, gives ſuch a generous Warmth, and ſo exceedingly delights the Vital and Animal Spirits, Senſes, and Nerves, as ſoon to ſhew what it will do, upon a little Continuance of it; for it not only promotes, and prompts to a Deſire, but alſo furniſhes proper Matter, for the Support and Eſtabliſhment of a true laſting Inclination and Power.

By this Means it anſwers the End as well of Food as Phyſick; nor is there any thing in Nature beſides, that can in that Reſpect come up to it conſidering that it univerſally nouriſhes and reſtores in all the Declenſions of Deſire and Vigour, without the leaſt forcing the Veſſels, or ſtimulating the Parts, as moſt other Medicines for theſe Purpoſes do: And tho' it be a Maxim in Phyſick, that SINE CERERE & BACCHO FRIGET VENUS; this, in itſelf, is ſo ſufficiently nutritious as to want no Aſſiſtance that Way; not but it muſt be allowed, that good Eating and Drinking with it, cannot but in ſome Degree, at leaſt as an Auxiliary contribute to its Efficacy.

Nor does it only furniſh Matter and create Deſire, but alſo true Power (as it braces up and corroborates the Teſtes) and gives an elaſtick Springineſs to the Muſculi Erectores Penis in Men, and corrects, cleanſes, and comforts the Uterus, or Womb, in Women, the Lankneſs and Laxity of the former, and the Foulneſs, Coldneſs, or Obſtruction of the latter, being more the Cauſe of Impotency or Inferility, in the one Sex, and Indifferency or Sterility in the other than any Thing elſe beſides; and that it is Balſamick, and greatly Reſtorative, is confirmed by long Experience, and we have many Inſtances in Phyſical Writings, of Perſons arriving to a healthful old Age, as well as recover'd from deplorable Decays and Weakneſſes, by a continued Uſe of the common Preparations of Vipers, which this Quinteſſence, by being of vaſtly more Efficacy, brings about in a Quarter of the Time, and with the Tenth Part of the Quantity.

Thoſe who but once try it, will ſo pleaſantly experience it nutritive quickening Properties, in exhilerating the Heart, reviving the Spirits, comforting the Vitals, circulating the Juice, and recreating and renovating, as it were the whole Man, that they will never be without it; for it is ſuch a preſent Help, in Time of Need, as that on the taking then but a Doſe or two more of it than ordinary, it will ſo inſtantaneouſly animate the dull inactive Spirits, and rouze up and actuate the ſluggiſh enfeebled Faculties, in both Sexes, as to excite and capacitate where it could hardly be expected, and at the ſame Time ſeldom fails to render that conjugal Intercourſe Prolifick, Price Half a Guinea the Bottle.

Mr. Weſt, Goldſmith, who us'd to ſell theſe Bottles, being lately dead, it is now Sold only by his Son-in-Law, Mr. Johnſon, a Baker, at the Seven Stars in Vere-Street, Clare-Market, ſealed up, with Directions (for any Meſſenger) upon aſking for only a Bottle of Quinteſſence.

For the VENEREAL DISEASE.

THE ſhorteſt, ſafe, and regular Cure, this Day in the World, from the ſlighteſt Infection to the moſt inveterate Degree of it, by a Medicine as pleaſant to take, and as eaſy in its Operation as it is effectual in its Cure; ſo that the unfortunate Patient gets ſuddenly and ſurpriz ngly well, without Diſtaſte to his Palate, the leaſt Confinement of Body, or any Confinement whatever. This is that great Remedy, now ſo well known and long experienced to be truly infallible, and is the Grand ANTI SYPHILICON that Radcliffe and Garth uſed to ſay would totally extirpate the Venereal Diſeaſe from the Face of the Earth, were it but univerſally known, and properly taken. Freſh Infections, call'd Claps, with all their cruel attendant Symptoms, it preſently cures; and if taken in Time, ever prevents their taking Place. It is a ſafe, gentle, and pleaſant Family Purge, even for Children as well as grown Perſons, in all Caſes where Purging is neceſſary; nor can the deepeſt Scurvy, Rheumatiſm, Gout, Itch, or Leproſy, ſtand before it, but are pleaſantly cured and thoroughly extirpated by it, as well as the higheſt and moſt inveterate State of the confirmed Venereal Diſeaſe; which, with all its moſt raging Symptoms, it ſoon eradicates, reſtoring Health, Strength, and Vigor to the Body. Thoſe who once take it, will never have Recourſe to any Thing elſe. One Pot in moſt Caſes is ſufficient for a Cure.

Price 6s. a Pot, ſealed up with a Book of Inſtructions, by which all Perſons may fully underſtand their own Condition, and certainly know when, and when not, the Venereal Poiſon is rooted out of their Bodies. Note, This Grand Anti Syphilicon is now, by the Author's Appointment, to be had only at Mr. Eglinton's (Mr. Radford being deceaſed) at the Golden Pair of Spectacles againſt the Eaſt-End of the New Church in the Strand, London. Ask only for a Six Shilling Pot for the Scurvy. No Letters anſwered unleſs Poſt-paid.

The Royal BEAUTIFYING FLUID,

SO exceedingly valued by the Ladies of Quality, and all who have uſed it, for its tranſcendent Excellency in beautifying the Face, Neck and Hands to the moſt exquiſite Perfection poſſible, is to be had only, ſince Mr. Radford's Deceaſe, at Mr. Eglinton's at the Golden Pair of Spectacles, againſt the Eaſt end of the New Church in the Strand.

It gives an incredible new Air to the Features of the Face on the Spot, and a ſurprizing handſomeneſs to the Neck and Hands, which at immediately makes exceeding ſmooth, fine and delicately white.

Nothing in the World can ſooner or more certainly take away all diſagreeable Redneſs, Spots, Pimples, Heats, Roughneſs, Morphew, Worms in the Face, Marks of the Small pox, Sunburn or any other diſcolouring, nor remove all Wrinckles ſo perfectly; for it quickly makes the Skin become ſo incomparable fine, clear, plump, ſoft, and beautifully fair as to cauſe Admiration in the Beholders.

It really gives a moſt engaging reſplendent Brightneſs to the whole Countenance, and cauſes ſparkling Life, Spirit, and juvenile Bloom to reign in every Feature, and yet is nothing of Paint, but far exceeds it, by its bringing the Skin, whether of the Face, Neck or Hands, and tho' brown, red or rough, to a natural youthful Fairneſs, Smoothneſs and moſt charming Delicacy, which Paint only faintly imitates, neither is this Royal Beautifier prepared from the leaſt Particle of Mercury, or any thing Metaline, but is perfectly Harmleſs, and may be given inwardly even to Children. It has alſo a pleaſant Scent, will not ſoil the fineſt Lawn, and is very agreeable to uſe.

But theſe its admirable Properties, by which it vaſtly exceeds any thing whatever for the like Purpoſe, have occaſion'd many to imitate it under various other Names, beware therefore of ſuch impoſitions; the true ROYAL BEAUTIFYING FLUID, that has given ſuch univerſal Satisfaction to ſo many Ladies of Diſtinction, being now by the Author's Appointment, to be had only at Mr. Eglinton's (Mr. Radford being deceaſed) at the Golden Pair of Spectacles, againſt the Eaſt-End of the New Church in the Strand, London, at 3s. 6d. a Bottle, with printed Directions at large.

For the Immediate Cure of BARRENNESS *in* WOMEN *tho' of many Years Continuance, and proceeding from what Cauſe ſoever,*

And alſo of IMPOTENCY *in* MEN, *however occaſion'd, or of ever ſo long Standing,*

The Famous and Ineſtimable PROLIFICK ELIXIR,

The higheſt, richeſt, and moſt powerful Cordial in Nature, is recommended,

BEING the only true and Infallible Cure for Barrenneſs in Women, and Impotency in Men in the Univerſe, and which at once accompliſhes without the leaſt Trouble, even after all other Remedies have fail'd, as Thouſands have Experienced, and that by promoting the chearful Circle of the Blood and Juices, raiſing all the Fluids from their languid depreſſed State, to one more florid and ſparkling; opening all Obſtructions, fortifying the Nerves, encreaſing the Animal Spirits, reſtoring a Juvenile Bloom, and evidently replenifhing the craſſy Fibres of the whole Habit, with a generous Warmth and balmy Moiſture, and thereby invigorating it to ſuch a Degree as not to be imagin'd, but by thoſe who have experienced how exceedingly and ſuddenly it renovates, recruits and powerfully ſtrengthens all the Animal Faculties, and Generative Powers in both Sexes. It inforces a bright lively Diſpoſition baniſhes Melancholy, and inſpires Mirth and Gladneſs of Heart beyond Expreſſion.

Abundance of Ladies, who for ſeveral Years were deem'd incurable Barren, have after twice taking it, conceived and became Fruitful, and great Numbers of Gentlemen, who by raſh living or otherwiſe, had render'd themſelves incapable of Procreation, have ſoon been enabled by it to propagate their Species, inſomuch, that very many illuſtrious Families, who, for want of Children, were almoſt inconſolable, are now bleſt with happy Iſſue, and are (under Providence) indebted to this Great Medicine for their Heirs.

It reſtifies all Diſorders of the Stomach, creates an Appetite, proceſes a good Digeſtion, and in all Weakneſs of Body, or Decay of Conſtitution of any Kind, is a moſt infallible Reſtorative, and even ſeems to keep back the Effects of Old Age it ſelf.

It is to be taken but a few Drops at a Time, has a very fine Flavour, is pleaſant to the Palate, Cordial to the Stomach, and can be had only at the Gentlewoman's at the Two Blue Poſts in Haydon Yard in the Minories at 5s. a Bottle, with Directions.

GLEETS and SEMINAL WEAKNESSES,

SO deſtructive to the Conſtitution, and ruinous not only to the unhappy Individual labouring under them, by draining away the Radical Subſtance or very Eſſence of Life, and inducing Conſumptions, Nervous Diſorders, &c. but to Poſterity alſo, inaſmuch as thoſe afflicted with ſuch Gleetings, if not wholy diſabled, as very many are, from propagating their Species, are yet render'd incapable of begetting any other than puny, miſerable, and ſhort-liv'd Iſſue.

Theſe waſting Gleetings, occaſion'd by Self-pollution, exceſſive Venery, ſevere Purging for Venereal Injuries, or by violent Strains, &c. and which have been deem'd by almoſt all Phyſicians and Surgeons to be ſo very difficult to overcome, are now ſo certainly known to be directly, and in a manner at once perfectly cur'd by the Grand Reſtrictive Balſamick Electuary, that no one, how bad ſoever, need deſpair of being entirely ſet to Rights by it in a few Days.

It is from this its moſt extraordinary Efficacy, that ſo many Practitioners in Town and Country now ſend for it for their Patients, as finding it to be the only ſure and infallible Remedy that can be ſafely rely'd upon in thoſe Caſes. The Price of this Grand Medicine is 6s. a Pot, ſeal'd up, with a Book of Inſtructions, highly neceſſary to be read by all Perſons whoever were afflicted with any Diſorder of the Seminal Veſſels or neighbouring Parts.

Note, This fam'd Balſamic Electuary is now, by the Author's Appointment, to be had only at Mr. Eglinton's (Mr. Radford being deceaſed) at the Golden Pair of Spectacles againſt the Eaſt-End of the New Church in the Strand, London. Ask only for a 6s. Pot of Balſamic Electuary. No Letters anſwer'd unleſs Poſt-paid.

The So-much Fam'd HYPO-DROPS.

WHICH in a few Days infallibly cure *Hypochondriack Melancholy* in *Men* and the *Vapours* in *Women*, ſo as never to return again; be they ever ſo levere, or of many Years ſtanding, and even after all other Remedies have prov'd ineffectual; and that by immediately ſtriking at the very Root or true Cauſe, as well as remedying the Effects, of thoſe perplexing Maladies and all their Variety of Symptoms, by which they mimick, by Turns, almoſt all the Diſeaſes poor Mortals are afflicted with, and have their Riſe from a depraved Appetite, vicious Ferment in the Stomach, and Indigeſtion of Food, whence proceed Crudities and flatulent or windy Diſorders in the firſt Paſſages, ill Fumes, ſour Belchings, Cholick, and Uneaſineſs in the Bowels, which Crudities offend the Nerves, and, by Conſent of Parts affect the Head, and produce ſometimes Giddineſs, Dimneſs of Sight, confuſed Thoughts, pertinacious Watchings, troubleſome Sleep, Frights, groundleſs Fears, and the deepeſt Melancholy, with direful Views and terrible Apprehenſions; at other times, Fits, fluſhing Heats, Reachings, Faintneſs, Lowneſs and Sinking of Spirits and Palpitation of the Heart, Startings, Tremblings and Twitchings in the Limbs and other Parts, with many convulſive Diſorders, ſharp Pains, fix'd or wandering, Pain and Weakneſs in the Back, and other innumerable and grievous, Symptoms, which miſerably afflict vaſt Numbers of both Sexes.

All which Symptoms in their ſharpeſt Paroxyſms, theſe ſomuch fam'd and moſt pleaſant Drops, (which are Chymically prepar'd from the moſt valuable Specificks in the Mineral, Vegetable, and Animal Kingdoms, and exalted to the higheſt Degree of Perfection poſſible) inſtantly quell, and at the ſame time annihilate their real Cauſe, directly bringing the Stomach into right Order, creating a good Appetite, reſtifying the Digeſtion, occaſioning laudable Chyle, and, of courſe, good Blood, Plenty of calm, free, and chearful Spirits, a regular Circulation of all the Fluids, and Strength of Nerves; ſo that both Cauſe and Effects of Melancholy and Vapours, are thoroughly removed by them, almoſt on the Spot, as the many Thouſands of both Sexes they have perfectly cured, evince.

Whoever takes them for three Days only, will be ſenſible they are abſolutely to be depended upon for an effectual and laſting Cure, and certain it is, that no Medicine upon Earth can equal them; be careful therefore to have the right Drops, which are to be had only at Mrs. Holt's, at the Croſs-Keys and Star below the Royal Exchange, in Cornhill, at 3s. 6d. a Bottle, with Directions, at large.

To Perſons of either Sex,

Afflicted with any Species of the PALSY, *or other* Nervous Decays.

NEVER were NERVOUS DISEASES, PALSIES, and PARALYTICK DISORDERS ſo frequent as of late they have been, nor have the uſual Remedies been found adequate to thoſe pertinacious Diſtempers: This occaſioned a Phyſician, who employed his Thoughts much concerning them, to adapt a Medicine, a Sovereign Elixir peculiar to, and effectual for, the Palſy, and all other Nervous Complaints now reigning, which, after he had experienced on vaſt Numbers of Perſons of both Sexes, and always with ſurprizing Succeſs even ſo as infallibly to cure by it the Palſy, and all Paralytick Effects and Nervous Diſorders, he permitted it to be made publick for a general Good, that ſo thoſe labouring under theſe miſerable Ailments might know where to meet with a ſafe and moſt certain Cure, which it accompliſhes in ſo ſhort a Time, and with ſuch Eaſe and Pleaſure (a few Drops of it being a Doſe, highly agreeable to the Palate, and comforting to the Stomach and Bowels) as is almoſt incredible to relate.

But the taking one Bottle of it only demonſtrates its prodigious Efficacy to every one, and the Patients ſoon finds all Numbneſs, Deadneſs, and ſhaking, or Reſolution of the Nerves, as well as all convulſive, cramp-like, or painful Contractions of them, vaniſh and return no more, and this, though theſe Diſeaſes have been of many Years ſtanding, and whether occaſioned by long Illneſs, faſt Living, hard drinking, or any other Cauſe; for it performs all that can be wiſhed for in Nervous Caſes, creates an Appetite, expells Wind, reſtifies the Digeſtion, occaſions laudable Chyle, attennuates the Blood and Juices, cauſes a free and regular Circulation of 'em thro' the Capillary Veſſels, revives and increaſes the Spirits, warms, comforts, ſtrengthens, and replenifhes the Brain and whole Nervous Syſtem, hence the Sinews, Tendons, Ligaments, and all the enfeebled Parts are invigorated, the Limbs reſtored to their priſtine Steadineſs and Strength, and the Palſy and all Paralytick Diſorders and Nervous Decays ſuddenly cured by it, to the Admiration of the Patients themſelves, and all about them.

This ſovereign and incomparable Elixir is permitted to be ſold only at Mrs. Holt's, at the Croſs Keys and Star below the Royal Exchange in Cornhill, London, at 3s. 6d. a Bottle, with printed Directions at large.
